

## Highly Inflammable

X-Ray Spex

Highly inflammable  
Waiting to explode  
Neurotic tensions  
Risen overflowed

You thought I was a woman  
I thought you were a man  
But I was Tinkerbell  
And you were Peter Pan

Influenced by the fashion pages  
Influenced by other's phrases  
It ain't hip if you are retro  
You're a pseudo quasi intellectual

Supreme equality  
We used to compete  
The right to decide  
Is denied to the sheep

You thought I was a woman  
I thought you were a man  
But I was Tinkerbell  
And you were Peter Pan
