

many many guys and girls all real beauties everybody
making a stab they hurt themselves singles rule the world
feeding on fresh blood one track eye below the belt all
in a line all in a line they're all in a line like adult
books i don't understand jackie susann meant it that way
clifford shackles jane throws her on the floor she says,
no, no, yes and he cuts the chains do plenty people go
for tomata yes, but he just goes for that special girl
who says, no
