many many guys and girls all real beauties everybody  
making a stab they hurt themselves singles rule the world  
feeding on fresh blood one track eye below the belt all  
in a line all in a line they're all in a line like adult  
books i don't understand jackie susann meant it that way  
clifford shackles jane throws her on the floor she says,  
no, no, yes and he cuts the chains do plenty people go  
for tomata yes, but he just goes for that special girl  
who says, no
