

## Breathless

X

Now if you love me please don't tease  
If I can hold well then let me squeeze  
My heart goes round and round  
My love comes tumbling down  
You leave me ahhhh breathless ahhhh  
Well I shake all over and you know why  
I'm sure it's love honey it ain't no lie  
'Cause when you call my name  
I know I burn like wood in flame  
You leave me so breathless ahhhh  
Oh baby, you're driving me crazy  
You're much too much  
I can not love you enough  
It's alright, hold me tight  
When you love me, love me right  
Come on, baby, now don't be shy  
This love was meant for you and I  
Wind, rain, sleet or snow  
I'm gonna getcha wherever you go  
You leave me breathless ahhhh  
Oh baby, you're driving me crazy  
You're much too much  
I can not love you enough  
It's alright, hold me tight  
When you love me, love me right  
Come on, baby, now don't be shy  
This love was meant for you and I  
Wind, rain, sleet or snow  
I'm gonna getcha wherever you go  
You leave me breathless ahhhh
