

Los Angeles

X

she had to leave
los angeles
all her toys wore out in black
and her boys had too
she started to hate every nigger and jew
every mexican that gave her lotta shit
every homosexual and the idle rich
she had to get out
to get out
to get out
to get out
to get out
she gets confused
flying over the dateline
her hands turn red
cause the days change at night
change in an instant
the days change at night
change in an instant
she had to leave
los angeles
she found it hard to say goodbye to her own best friend
she bought a clock on hollywood blvd the day she left
it felt sad
it felt sad
it felt sad
she had to get out
to get out
to get out
to get out
to get out
