

## The Once Over Twice

X

i just heard the sad song by another band sung by another man he  
gave me the once over twice i said when he said okay so long  
he hung me with the endless rope i could throw my lipstick and  
bracelets like gravel and move to alabama i got some more scotch  
instead then i died a thousand times he hung me with the endless  
rope then i died a thousand times maybe you don't but i do  
got a hole in my heart size of my heart size of my heart he hung  
me with the endless rope i'll see you and i'll raise you off  
the floor i'll floor you and we'll dance without a band i just  
heard the sad song hang another man he hung me with the endless  
rope
