

# Forever Yours

Xandria

It feels like

Keeping and holding a star in the sky  
Born to be born again with you  
The days of thunder cry their goodbye  
And for the first time I know what to do  
I just keep on being one with you

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so save

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so save

Loving and fighting the mirror I need  
Dearest I'm down on the ground  
Waiting to see where the storm leads  
It's my blood that bleeds from your wounds  
Dearest you're all that I need

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so save

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so save

And when I kiss you  
Your lips are the only food I need  
Your finger tips open  
Spaces that make me complete  
Dearest you're all that I need

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so save

Forever yours, forever yours  
I'm here to stay  
Cause in your arms, in your arms  
I feel so save

Forever

Loving - fighting  
Holding - losing

Wanting forever you
