

Isis/Osiris

Xandria

I am birth
I am death
Just an elusive symbol
For eternal come and go
For come and go

Never, no never the day will go down on me
Within knowing him by my side
Soothes, oh Soothers, don't pass me again
Before I know how to heal
Who is shattered by the forces of the night

I have come - I have gone
I have shown you Moira
And her restless re-creation
Your own re-creation

Never...
