

## The End of Every Story

Xandria

All we've been, all we see was born so long ago  
In times of joy and of tears, we carried on  
The winds were still, did no harm to our shores  
But the seed's already sewn, now the storm will come

Over and over we're downcast  
Only, it's only a dark past

Do you know we reached somehow the end of every story  
Welcome to the final show it's here in all its glory  
You can run but all you flee is a life of sorrow  
Time will tell what kind of fate will be waiting for us now

Built on sand by our hands were all of our homes  
Turn around, realize this world is not our own  
So we have to succumb to the call of fate  
Hear it now, it leads us down to future's open gate

Falling we're falling with closed eyes  
Losing now losing our old disguise

Do you know we reached somehow the end of every story  
Welcome to the final show it's here in all its glory  
You can run but all you flee is a life of sorrow  
Time will tell what kind of fate will be waiting for us now
