

Positiff Peopula

Xavier Baumaxa

positiff peopula smájling eza jůžula
negatiff peopula mejking the trabula dabula
indifferent peopula zero feeling in their kebula
extatic peopula cinking with their kunda and their bambula
bambula a a a a a bambambula a a a aa a a a

Intelekčual peopula - jůzing their brain much more than jůžula
Jů žula, jů stone, jů stole my pikčura of clever pipula
Physculturic pipula prefer dí acting with their musculatura
No pain - no gain! No brain - no pain!

Kalokagathic peopula - having their body and soul tugéda
Kalokagathic peopula - offering the faithless Gá their helping rukola
Kalokagathic peopula - living in the harmony body and soul
Kalokagathic peopula - this is their idea what I just stole

this is their idea what I just stole
i just stole to say I love you

Karcinomadic peopula - have got a travelling problem bery deep insida
Karcinomadic peopula - have cancered all their futura plena
Karcinomadic peopula - losing their humora because of tumora
Karcinomadic peopula - losing their hope even though they used to be hopeful

"I sad"
I wanna see more positiff peopula
more peopula with the A.I.D.S.A.
I wanna see more positiff peopula
not like Nicka Cavea, not like Toma Waita
I wanna see more positiff peopula
but sometimes it's a harda
I wanna see more positiff peopula
more innocent petarda

I wanna see retardarda like me. "I sad" (4x)
