The täborääk sonxx will never die, 'cause there will always be
one big täborääk!!!

The täborääk sonxx will never die, 'cause there will always be
one big täborääk!!!

Despite your technological tries, despite your machines,
Despite your cyber sounds, despite your chemical lies

You'll never break my mind,

You'll never break my mind,

You'll never break my mind,

You'll never break my mind !!!
