

Keep Your Eyes on Me

Xavier Naidoo

Don't know why
It seems so wrong
I don't know Why
It seems so wrong
But I, I try

Just
keep your eyes on me
Don't let me down (6x)

And every thing you see
Oh I need you
Oh yes I do
I need you
Keep your eyes on me
Yes I do
Keep your eyes on me
Oh, I need you (3x)

Keep your eyes on me
Oh, Don't you know
That I love you
Oh don't you know
Now, didn't you know
That I need you
Oh, don't you know
Now, didn't you know
That I love you
In my life (4x)

Keep your eyes on me (3x)
Don't let me down
And everything around
Don't let me down
And everything you see
I need you, now
That is happening now
Oh I need you now
Keep your eyes on me
Don't let me down
Oh

keep you eyes on me
I need you
Keep your eyes on me
I need you
Keep your eyes on me
(Now deep you down)
Keep your eyes on me
Just, keep your eyes on me
Tell me now
What would I do
Without you
Tell me now
What would I do
Without you
What would I do

Without you
Keep your eyes on me
Oh, I need you
Yes I really do
Yes I need you
I really do
Uh, I need you
Can't you hear and see it
Just

keep your eyes on me
Keep your eyes on me
