

Light the Shade

Xavier Rudd

When you're feeling lonely
And your heart is hungry
I'll light the shade
When the moon escapes you
And the sun denies you
I'll light the shade

Ooh ma na da ba chicka ba ayy
Ooh ma na da ba chicka ba ohhh
Ooh ma na da ba chicka ba ayy
Eh oh oh eh oh
(2x)

When the question's pending
You feel it all descending
I'll light the shade
Out answer searching
When it's all confusing
I'll light the shade

Ooh ma na da ba chicka ba ayy

Eh oh oh eh oh
