

## A Friend To You

Xentrix

Show me your fear, causing the hate  
Look at myself  
I hear your words, anticipate  
I am your wealth  
The one who tells you when & when not to conform  
The one you cannot see  
I am to you  
The friend you'll never know  
Each phase of life  
A new scenario  
I think your thoughts, I see your dreams  
I speak the truth  
I watch you move, collaborate  
I am your youth  
The one who tells you what is right and what is wrong  
The one you want to be  
I am to you  
The friend you'll never know  
Each phase of life  
A new scenario  
We are one, you can confide in me  
We are one, you cannot hide from me  
I am to you  
The friend you'll never know  
Each phase of life  
A new scenario  
I am to you  
Each phase of life
