

1. Berlin, walking in the street
Berlin, driver in black limousine
Vienna, pleasure on my soul
vienna, history of the world

R: Follow me, follow me into dne night
Follow me, this is my secrete life
Face to face, last dance in Vienna
Face to face, last dance to ruin of the Berlin wall

2. Berlin, return to the light
Berlin, blue angel on the moonlight
Vienna, flowers on my head
Vienna, like dust in your hand

R: Follow me...

R: Follow me...
