

A Knife in the Sun

Xiu Xiu

A knife in the sun
I don't know how it happened
The White Lady...
Cops, transsexuals, taxi drivers
Homosexuals, drug dealers,
Mariachis, pick pockets

Prince of Peace
At least indulge us
Flesh was once food
Now food is fleshhhh
Your lover will hate you
Despair and shut up

Gold, silver, copper
Blue, violet, red
Greeeeeeeeeeeeeeeeeeen
