

Grab my face  
As hard as it's funny to you  
While I pretend  
I'm your real dad

"How is Anne's cough today, Ms. Sheryl?"  
I pretend to ask  
A daughter who I bug  
And can only stand to be around me for about thirty seconds  
But whose picture I wear  
In a pin inside my coat

"So, who is this picture?"  
"That's you, Anne"  
"You're not coming to my birthday"  
"Oh, I know"
