

## Don Diasco

Xiu Xiu

Good God, baby  
Lady's high  
Baby-aping full-on high

I cross my heart all the time  
It's always the same  
Nothing happened  
I cross my wrist, now you shut up  
It's always the same  
Nothing happened

Maya  
Jailbird  
Softly sigh  
Maya who cried  
Secret sigh
