

## House Sparrow

Xiu Xiu

defrock human  
no one stole you  
day light murder  
from your front room  
distilled violent  
keep safe  
please God!  
i got away pedophile  
i made it into my own little  
Christian school  
flung far thy serial will to kill  
i got away i got away  
drip drip spatter  
sparkle glasses  
decayed panties  
grow up and be good!  
i got away lustmord  
i made it into my own little  
Sacramento  
flung far thy thick unconvertible need  
i got away i got away  
i got away pedophile  
i made it into my own little  
Christian school  
flung far thy serial will to kill  
i got away i got away  
i got out Richard Chase  
i made it to my pink and padlocked door  
flung far your thirst to destroy me  
i got away i got away
