

## I Luv the Valley OH!

Xiu Xiu

That's a pill and you've got to take it  
That's a pill that you've got to take  
That's a pill that you've got to take  
I won't rest until you take it  
That's a heart that you made  
That's a heart and the both of you made it  
That's a heart that you made  
And I won't rest until I break it  
It's le histoire de la family  
It's le histoire de la FAM  
It's le histoire de la family  
And I won't rest until I forget about it  
I won't rest until I don't care  
I won't rest until I forget about it  
I won't rest until I don't care  
La La La La La La La La La  
That's a razor and you will make a threat  
That's a razor make million billion threats  
That's a razor and you will make a threat  
And I won't rest cuz I heard it all before  
My behind is a beehive, there's a buzz in my backside  
My behind is a beehive and I won't rest  
While you break my will  
Je t'aime the valley  
Je t'aime the valley OH!!!  
Je t'aime the valley  
I am an orphan de la valley  
And I won't rest until I forget about it  
I won't rest until I don't care  
And I won't rest until I forget about it  
LA LA LA LA LA LA LA LA LA
