

## Lawrence Liquors

Xiu Xiu

Don't tell me someone is waiting  
No one is waiting  
Don't tell me someone is whispering too  
Would you sonny, could you bunny?  
But no one is there  
Right! A mockery, right?

Shut up, shut up, shut up.  
Shut up, shut up, shut up.  
Shut up, shut up, shut up.  
Shut up, shut up, shut up.

Don't tell me you are not wrinkled  
Everything is wrinkled  
Don't tell me someone is whispering too  
Don't tell me I am wrong, wrong, wrong  
But no one is there  
Right! A mockery, right?

Shut up, shut up, shut up.  
Shut up, shut up, shut up.  
Shut up, shut up, shut up.  
Shut up, shut up, shut up.
