

White Nerd

Xiu Xiu

oh you could have been a diamond,
a flicker in the campfire
but what shall you do now, nothing, nothing you
will do nothing
oh you could've been the 13 of spades
destroyer of the jerk off of hearts
well then oh where shall you go?
nowhere, nowhere, you won't be anywhere else
i am right, vigorous (oh yeah!!)
you are wrong, pig-orous (yeah oh!!)
holy F holy U holy CK
O-S-H-A-W-A
oh you could've been a Modoc
the last free indians in washington
500 or 600 girls like you
spilling their percocet out on the lava flow
white nerd
what have you learned?
white nerd you let us down X2
oh you could've been more anti-yourself
so astoundingly unsilent
but make-up over your pimples
will blow us fresh away
la la la la la la
i am un-wrong, vigorous (meow!!!)
you are un-right, pig-orous (woof!!! woof!!!)
black nerd
we let you down
