

Do You Want To

Xscape

Hey baby, I want to know one thing.
Do you want me as much as I want you?
Say you do

Never should have kissed you
Never made that call
I told myself
In love I shouldn't fall
Would've been a pleasure just to know your name
Oh, look at me, silly me, now I'm back in love again
And there's nothing you can tell me
Nothing you can do
I just hope that you're in love with me
The way that I'm in love with you

Do you want to
Like I want to be in love with you
Say you do
Do you want to
Like I want
I want to make love to you
Say you do
Never understand it
Love that takes control
Oh, I asked myself
Girl should you let it go?
That would be to crazy
Love without you
Hate to think
Happily that you won't be around
Now there's nothing you can tell me
Nothing you can say
Promise me you'll stay with me
Until my dying day
