Hey baby, I want to know one thing. Do you want me as much as I want you? Say you do

Never should have kissed you

Never made that call

I told myself

In love I shouldn't fall

Would've been a pleasure just to know your name

Oh, look at me, silly me, now I'm back in love again

And there's nothing you can tell me

Nothing you can do

I just hope that you're in love with me

The way that I'm in love with you

Do you want to Like I want to be in love with you Say you do Do you want to Like I want I want to make love to you Say you do Never understand it Love that takes control Oh, I asked myself Girl should you let it go? That would be to crazy Love without you Hate to think Happily that you won't be around Now there's nothing you can tell me Nothing you can say Promise me you'll stay with me Until my dying day
