

Tonight

Xscape

Come a little bit closer and look into my eyes,
If only for a moment, boy don't be surprised.
I want you right here next to me,
So tell me we can spend some time.

So I can hold you softly,
In these gentle arms of mine.
And the moonlight's gazing, ooh,
Shining on my window pane,

Beaming down on the midnight hour,
I hear the sound of rain.

Tonight, tonight, ooh...
Tonight, tonight, ooh...

So why don't you stay awhile,
I can't help it if you put me in a daze boy.
But you look so good to me,
In your satin PJs.

So let's make love by candlelight,
And listen to the quiet storm.
As I kiss you in the places,
That make your body warm.

I'm holding you (6x)
Holding you tight all through the night (2x)
Looks like it's gonna rain (4x)
Holding you tight all through the night (2x)

Tonight.
