

## W.S.S Deez Nuts

Xscape

I've been hurt by too many  
Men, they suck their lies and 'know  
They can suck mines  
It's out of control

W.S.S. bye  
Deez nuts you gonna be  
Wiht here be with  
Here and you can die with here

I vision you and her makin'  
Love, it don't make sense  
I just break down and cry baby  
I know your lies is killing me  
But it don't fase me, yeah

W.S.S. byee  
Deez nuts you gonna be  
Wiht here be with  
Here and you can die with here

Too many times  
Stud up for a man  
But now it's time  
To call me own, I know

Love's supposed to know  
The love but it's gone

W.S.S. bye  
Deez nuts you gonna be  
Wiht here be with  
Here and you can die with here

W.S.S. bye  
Deez nuts you gonna be  
Wiht here be with  
Here and you can die with here

W.S.S. bye  
Deez nuts you gonna be  
Wiht here be with  
Here and you can die with here

W.S.S. bye  
Deez nuts you gonna be  
Wiht here be with  
Here and you can die with here
