

## Boarded Up

XTC

Boarded up  
Yeah, we're boarded up  
Nailed up shut  
Yeah, we're boarded up

Music venue has had it's day  
Death watch Beetle band moved in to play  
Groups don't come down from London way

'Cos we're boarded up  
Yeah, we're nailed up shut  
Two by fourded up  
Yeah, we're boarded up

Touring companies stay away  
Rats and mice take the center stage  
Carpenter's mate have a field day

Boarded up  
Yeah, we're nailed up shut  
(Don't mind me at all)  
Two by fourded up  
Yeah, we're boarded up

Pubs and clubs had the chop  
Making way for a superstore plot  
Some town planner didn't know when to stop

Boarded up  
Come and see us  
Boarded up  
Don't wait too long now 'cos we're  
Boarding up  
Yeah, boarded up
