A lie for a lie, but a truth for the truth

Church of women is made out of milk which their love turns to butter
Church of women will have you give praise with a laugh, bark and stutter
Like us men like us men they are nothing like us men Men have gargoyles 'round their hearts
I'm on my knees but dancing

Want to worship at the church of women
Breathe 'em in until my head goes spinning around
Want to worship at the church
Let me worship at the church of women

Church of women is making donations of loving and giving Church of women performing that miracle raising the living Like us men like us men will they ever like us men? Men have thorns around their minds
I'm on my mountain preaching

Want to worship at the church of women
Breathe 'em in until my head goes spinning around
Want to worship at the church
Let me worship at the church of women

Lie for a lie, but a truth for the truth

Give 'em back their house: the walls, the doors, the floors and

roof

And stop tryin' to diet 'em on wafers and wine and some myth we 're in control

Now let's put things right Let's multiply the loaves and kisses 'Til we have enough to love and eat forever

Want to worship at the church of women

I want to worship at the church of women now

Breathe 'em in until my head goes spinning around

I'll breathe 'em in until my head goes spinning 'round

Want to worship at the church

Let me worship at the church of women

Want to worship at the church of women
