Knights in Shining Karma

Knights in shining karma Tend your flame And with love for armor They'll remain

Ever by your bed Guarding, still sleeping Shield your soul from this rain Knights in shining karma will remain

Jealous winter sun... Cold as vichysoisse Steals your smile for fuel They'll ignite with braziers Of warming stars

Knights in shining karma Wash your feet And with spotlesss darma come complete

Ever by your sink drying Up tea tears Shield your soul from this heat Knights in shining karma come complete

Swollen summer moon Hot as boiling air Poach your dreams to ash They'll bring sips from restful slumbers Cooling keg

Jealous winter sun...
