Knights in shining karma
Tend your flame
And with love for armor
They'll remain

Ever by your bed Guarding, still sleeping Shield your soul from this rain Knights in shining karma will remain

Jealous winter sun...
Cold as vichysoisse
Steals your smile for fuel
They'll ignite with braziers
Of warming stars

Knights in shining karma
Wash your feet
And with spotlesss darma come complete

Ever by your sink drying
Up tea tears
Shield your soul from this heat
Knights in shining karma come complete

Swollen summer moon
Hot as boiling air
Poach your dreams to ash
They'll bring sips from restful slumbers
Cooling keg

Jealous winter sun...
