

Te Recuerdas

Xtreme

Te recuerdas la noche en que me diste el primer beso
Do u remember the night when u gave me the 1st kiss
Even though que tu corazon tenia dueno
Even though your heart had an owner
Como un tonto a tus labios me entregue
Like a fool I gave myself to your lips

Te recuerdas cuando te cantaba en el telefono
Do u remember when I sang to u on the phone
And you always used to tell me te quiero
And you always used to tell me I love you
Pero nunca pense que te iba a perder
But I've never thought I will loose you

Por mi madre te lo juro que te amaba
I swear on my mother that I loved you
Mi propia vida mi amor te lo donaba
My own life, my love, I would've donated to you
Por que te llevaste mis besos
Why you took my kisses
Sabiendo que era sincero
Knowing that I was honest
Como te pudiste ir
How could you go

Por mi madre te lo juro que te amaba
I swear on my mother that I loved you
A qual donaste el amor que te entregaba
To whom you donated the love that I gave to you
Por que te llevaste mis besos
Why you took my kisses
Sabiendo que era sincero
Knowing that I was honest
Como te pudiste ir
How could you go

Do you remember the day that you told me that you love me
I was lonely i believed it and now it's hard to me
Now i can't believe that love went away

Te recuerdas cuando dejaste de buscarme
Do you remember when you stopped looking for me
Y me di cuenta que ya era muy tarde
And I realized that was too late now
Que ese nina a otro hombre regreso
That girl returned to another man
