

# Feels Like The First Time

XV

I would climb any mountain  
Sail across a stormy sea  
If that's what it takes me baby  
To show you how much you mean to me  
And I guess it's just the woman in you  
That brings out the man in me  
I know I can't help myself  
You're all in the world to me

It feels like the first time  
Feels like the very first time  
It Feels like the first time  
It Feels like the very first time

I have waited a lifetime  
Spent my time so foolishly  
But now that I've found you  
Together we'll make history

And I know that it must be the woman in you  
That brings out the man in me  
I know I can't help myself  
You're all that my eyes can see

And it feels like the first time  
Like it never did before  
Feels like the first time  
Like we've opened up the door  
Feels like the first time  
Like it never will again, never again

Feels like the first time, it  
feels like the first time  
It feels like the very first  
time, very, very, it feels  
It feels like the first time, oh it  
feels like the first time  
It feels like the very first time

Open up the door, won't you  
open up the door? Yeah

Feels like the first time  
And it feels like the very first time  
And it feels like the first time  
It feels like the very first time

And it feels like the first time  
It feels like the very first time  
Oh it feels, it feels like the first time  
Yeah it feels like the first time
