

Inside Out

XYZ

I feel love between the two of us
So take off and get your point across

Fire up and let me know
Come on baby, let it go

Inside Out, Whoa do it again
Inside Out, Whoa do it again

Should I guess what else you got in mind
When no means yes, we've got draw the line

Fire up and let me know
Come on baby, let it go

I feel love between the two of us, I feel love
You got, you got to show it to me

Inside Out, Whoa do it again
Inside Out, Whoa do it again

Inside Out, Whoa do it again
Inside Out, Whoa do it again
Cause I feel love between the two of us
Inside Out, Whoa do it again
I feel love between the two of us
