

Rainy Day

XYZ

Wait for me,
Don't show me darkness when light is too bright for my
eyes.
Answer me,
Silence is hunger & question is food for the wise.
I'm like the spirit of the sea,
I'm only waiting in a dream,
... of another rainy day.
Look at me,
Finding my freedom is lost at the limits of life.
Feel for me
Trying to open my heart with the edge of a knife.
Am I dead before I have been born?
Am I only waiting for the dawn
... of another rainy day.
Rescue me!
Only a hand from an angel can let you be free.
In the forest I hear a bleeding heart.
Listen to your voice before the start,
... of another rainy day.
