

Rainy Days

XYZ

I stopped the clock up on the wall
Don't need no time the dice are rolled
I've seen your note on the mirror
It says no dream lasts forever

I'd like to run on thru the sky
To get you back right on my side

Chorus:

Ooh, rainy days are back again
Ooh, rainy days

(Mon amour I loved you more that I should have)

Over the edge my sun is down
Clouds are shading what I'd found

I'd like to run on thru the sky
To get you back right by my side

Chorus:

Ooh, rainy days are back again
Ooh, rainy days
Ooh, rainy days are back again
Ooh, rainy days
Ooh

Ooh, rainy days are back again
Ooh, rainy days
I'm still in love with you
Ooh, rainy days are back again
Ooh
I'm still in love with you
Ooh, rainy days are back again
Ooh, rainy days
I'm still in love with you
Ooh, rainy days are back again
Ooh
