

# What Keeps Me Loving You

XYZ

Everytime I walk away  
It feels so wrong  
Tell me why I never stay  
Where I belong  
Uh, take me home  
I dream of a dawn  
in a blue holding eyes, yeah

What keeps me loving you  
It's easy to know when we touch  
What keeps me loving you  
It's easy to know  
When it's love  
When it's love

Everytime I say goodbye  
I can't be free  
Tell me why I never try  
To let it be  
Uh, take my hand  
Tommorow will gone if you  
hold me tonight, oh

What keeps me loving you  
It's easy to know when we touch  
What keeps me loving you  
It's easy to know  
When it's love

(solo)

Take me home  
Together we're,  
Together we're strong

What keeps me loving you  
It's easy to know when we touch  
What keeps me loving you  
It's easy to know

What keeps me loving you  
It's easy to know when we touch  
What keeps me loving you  
It's easy to know  
When it's love

'cause I dream of a dawn  
in a blue holding eyes, oh  
When it's love...
