You must be smokin if you think I'ma call the - POLICE

I'm a beast, still got a crease
Still got my Converse thumpin down the concrete
YEAHHHHHHH, black and blue Bugati
This is Strong Arm robbery, you can't deny me
My garage a mirage a collage of chrome
I look alive with the nine when I leave my home
Been on tour in Japan, been relaxed in Rome

We hang like orangutangs, mangle the beast
Niggaz hatin, gravitatin to the lies that they tell
My reality takin over where that fiction fail
What the hell, might as well show the cards I'm holdin
Sweet taste, aeromatic, backwood ROLLIN
Got the Range Rover supercharged, complete with the strut kit
My chain hang to my dang-a-lang, what the fuck bitch?
Boomerang my change, I rearrange some thangs
My slang click bang and expose they brains
Then I pray, our father who art in heaven
Got people jumpin out the buildin like 9/11
Malcolm X to the X landin on them like Plymouth Rock

Now e'rybody know the business, you want it come get it (c'mon)

Escalation, elevation to another plateau
Sometimes it take a few steps back to mentally grow

Here we go, what you know, campaign in motion
Straight West coast and West worldwide ROLLIN
Got that Aston Martin DV9 equipped with a stash box
In case I ever find myself alone in a tight spot
Strip down my frame, repave my lane

Don't complain when the chamber slide back and bang
Make it taste like shit when you sayin my name
It's the Golden State heavyweight, holdin the belt
Cause I'm a one man army I don't need no help
