

Change Your Mind

Yahzarah

Can't change my number in a minute
Got a call from an old boyfriend
I just can't believe it, no
I can't believe it, yeahhh
He's got a girl who wants to know how it been
Would like to meet with me for a drink
I can't wait to see him, oh
Can't wait to see him, yeahhh-eahh

I can turn your world around in a heartbeat
And bring you to your knees again
But I can't change your mind
Change your mind
Got you a lady, but we parted as friends
So keep my number just in case
You wanna change your mind
Change your mind

Walk in the room, you looked me right in the eye
Warm embrace you, hold you tight for a while
And I know you need it, you do
You look like you need it, yeahh
But it was more than a thing of a two
Don't want a love that I gotta share
'Cause I'm not even dreamin', no
I ain't even dreamin', yeahh

Everything has it's season
Had a real good time
But you don't belong to me
See, when you're here reminds me
If things were changed, boy
You know where to find me
