

Ashes

Yann Tiersen

We're following a road of pain.
We're all running away to death.
Please, come back and hold me tight,
Let's burn and burn again.
All in all, we will be ashes
Floating in the winds.

We're following a road of pain.
We're all running away to death.
Please, come back and hold me tight,
Let's burn and burn again.
All in all, we will be ashes
Floating in the winds.
