

Dirty Slut

Yashin

My intention was to fool you
Into thinking I am the only one
That I'm the only one

Scream five words, from the heart, let's tear this place apart
I'll hide your eyes from everything, from everything
Scream five words, from the heart, let's tear this place apart
I'll hide your eyes from everything, from everything
Scream five words, from your

Each city sprayed with different colours
They draw my eyes, they draw you in, cause you're the only one

Scream five words, from the heart, let's tear this place apart
I'll hide your eyes from everything, from everything
Scream five words, from the heart, let's tear this place apart
I'll hide your eyes from everything, from everything
Scream five words, from your heart
From everything
Scream from your heart

Fuck you. Fuck you. Fuck you

Fuck you. Fuck you. Fuck you
Fuck you. Fuck you. Fuck you
