

Down, But Homeward Bound

Yashin

(I've got to say)
I told you all along,
sleep tight tonight
(while i am gone)

(I've been away for far too long)
I told you all along,
is it worth the fight
(for the one you love?)
(the one you love)

I wish you were here, yeah
I wish you were here

Whoa, whoa
When I see your face,
it's when i come alive
Whoa, whoa
When I see your face,
it's when i come alive

Let's not say goodbye,
you make me feel alive,
don't you say goodbye,
god it's good to be alive

(Take me away
far away from here)
Is this just another place with eyes and ears
(that let you know)

And do you wish you were here?
Do you wish you were here?

Whoa, whoa
When I see your face,
it's when i come alive
Whoa, whoa
When I see your face,
it's when i come alive

Let's not say goodbye,
you make me feel alive,
don't you say goodbye,
god it's good to be alive

(I pray to god you'll never know,
there's only one of me,
and plenty more like you
I pray to god you'll never know,
there's only one of me,
and plenty more like you)

(I pray to god you'll never know,
there's only one of me,
and plenty more like you
I pray to god you'll never know,

there's only one of me,
and plenty more like you)

and I told you all along,
sleep tight tonight
(while i am gone
and i've waited for too long)

Yeah, and I wish you were here
and I wish you were here

Whoa, whoa
When I see your face,
it's when i come alive
Whoa, whoa, whoa!

Let's not say goodbye,
[Whoa, whoa, when I see your face it's when I come
alive]
Don't you say goodbye
[Whoa, whoa, when I see your face it's when I come
alive]
Let's not say goodbye,
[Whoa, whoa, when I see your face it's when I come
alive]
Don't you say goodbye
[Whoa, whoa, when I see your face it's when I come
alive]

Whoa, whoa,
When I see your face, it's when I come alive
Whoa, whoa, whoa!
