

Let It Go

Yashin

Is this where we want to be in time
When we were young this was easier
I end up too far
To block up where we were
This is all I've known
(You are not alone)

Let it go
Let it go
I'm closer than you know
(I'm closer than you know)
Why can't we keep it together
Let it go
Let it go
I'm closer than you know
(I'm closer than you know)
Why can't we keep it together

Coming back, back, it's so hard to please
I'm close to being the furthest thing
In your mind

(Coming back, back, it's so hard to please
I'm close to being the furthest thing
In your mind)

Let it go
Let it go
I'm closer than you know
(I'm closer than you know)
Why can't we keep it together
Let it go
Let it go
I'm closer than you know
(I'm closer than you know)
Why can't we keep it together

Why can't we keep it together
Why can't we keep it together
Why can't we keep it together
Why can't we keep it together
Why can't we keep it together

Why can't we, why can't we, why can't we
Keep it together

Why can't we, why can't we, why can't we
Keep it together

Why can't we, why can't we, why can't we
Keep it together

Why can't we, why can't we, why can't we
Keep it together
