

# New Year or New York

Yashin

Try this now the feeling lasts forever  
(I want more and I want more)  
Try this now the feeling won't go down  
(I want more and I want more)

'Cause tonight's the night we'll lose it all  
And nothing will stand in our way  
Just like last night and the night before  
When God made us he broke the mould

Taking my time, taking my time to be, all that I want to be  
Taking my time, taking my time to see, to see

(Yeah, yeah, yeah)  
It's what we live for  
(Come on, come on, come on)  
Just want to lose control  
(Yeah, yeah, yeah)  
It's the only thing I live for  
This is so familiar to me

And when the morning comes will it all be over  
(And what do you have to?)  
And what do you have to show  
(And what do you have to show)  
A head full of broken bottles  
(And what do you have to  
What do you have to show)

Taking my time, taking my time to be, all that I want to be  
Taking my time, taking my time to see, to see

(Yeah, yeah, yeah)  
It's what we live for  
(Come on, come on, come on)  
Just want to lose control  
(Yeah, yeah, yeah)  
It's the only thing I live for  
This is so familiar to me

At the point where we break, break, break  
Can you take, take, take it anymore  
(Bring it on, bring it on)  
At the point where we break, break, break  
Can you take, take, take, take anymore

So I can see my last beat is breaking out of me  
(I wan to sleep in a city that is never awake)  
And I know this is not who I want to be  
(I want to sleep in this city and never wake up)

(Yeah, yeah, yeah)  
It's what we live for  
(Come on, come on, come on)  
Just want to lose control  
(Yeah, yeah, yeah)  
It's the only thing I live for

This is so familiar to me

At the point where we break, break, break  
Can you take, take, take it anymore  
(Bring it on, bring it on)  
At the point where we break, break, break  
Can you take, take, take, take anymore
