

Pushing up Daisies

Yashin

Is it that I don't know how to back down?
'Cause I have found a never ending problem
The way, the way we were
Has it hit the ground?
A life with dirt on my hands is not the life I'm gonna live
The way, the way we were
Has it hit the ground?

Better off dead
Better off dead
No

You are not the only
You are not the only one
Who's at the high end of low
From here I don't know where to go
You are not the only
You are not the only one

Feeling something
Feeling nothing
Do I really want to give up?
I can't let go, won't let go

Feeling something
Feeling nothing
Do I really want to give up?

Feeling something
Feeling nothing
Do I really want to give up?

Hold me close, hold me close

Better off dead
Better off dead
No

You are not the only
You are not the only one
Who's at the high end of low
From here I don't know where to go
You are not the only
You are not the only one

And do we have to go back to move ahead?
Do we have to go back?
Do we have to go back?
To move ahead
To move ahead
To move ahead
(To move ahead)

Better off dead
Better off dead
No

You are not the only
(You are not the only)
You are not the only one
Who's at the high end of low
From here I don't know where to go
You are not the only
(You are not the only)
You are not the only one
