

# Tonight We Dance

Yashin

Waiting, waiting,  
One step forward two steps back again  
Feet-bound by chains  
And they're all waiting just to throw me in

Tonight we dance  
Woah  
Do you know my name  
Do you know my name  
Say it and throw me in

Do you know my name  
Do you know my name  
Say it and throw me in

Tonight we dance

I'm a hero not a fool  
So weigh me in  
Woah

Do you know my name  
Do you know my name  
Say it and throw me in

Do you know my name  
Do you know my name  
Say it and throw me in

You throw me in  
You throw me in  
You throw me in

I'm drowning, I'm drowning in a pool of tears again  
I'm drowning, I'm drowning in a pool of tears again  
I'm drowning, I'm drowning in a pool of tears again

I'm drowning, in a pool of tears again  
I'm drowning, in a pool of tears again  
I'm drowning, in a pool of tears again
