## Situation

Blue eyed dressed for every situation Moving through the doorway of a nation Pick me up and shake the doubt Baby, I can't do without

Move out, don't mess around Move out, you bring me down Move out, how you get about Don't make a sound, just move out

I remember only for an hour Move right through me, can you feel the power? I don't know what's going on It scares me but it won't be long

Move out, don't mess around Move out, you bring me down Move out, how you get about Don't make a sound, just move out

Now he's in control, he is my lover Nations stand against him, he's your brother Been a long time, been a long time now I'll get to you somehow

Move out, don't mess around Move out, you bring me down Move out, how you get about Don't make a sound, just move out Yazoo
