

Mosquito

Yeah Yeah Yeahs

Mosquito, mosquito, mosquito

Mosquito sing, mosquito cry
Mosquito live, mosquito die

Mosquito drink most anything
Whatever's left, mosquito scream

"I'll suck your blood"

Mosquito sing, mosquito cry
Mosquito live, mosquito die

Mosquito land on your neck
Mosquito drink whatever's left

He'll suck your blood

They can see you but you can't see them
They can see you but you can't see them
So are you gonna let them in?
They're hiding underneath your bed
Crawling between your legs
They're sticking it in your vein
Were you itching when they called your name?
Were you itching when they called your name?

They'll suck your blood
