

Shame and Fortune

Yeah Yeah Yeahs

Shame is soft they say
Lose when I play your game
Come if you call my name
Lose when I play your game

You got an attitude
You got a way
All fortune on the floor
All fortune on the floor
All fortune on the floor
All fortune on the floor

Shame is soft they say
Lose when I play your game
All fortune on the floor
All fortune on the floor
All fortune on the floor
All fortune on the floor
