These Paths

Yeah Yeah Yeahs

These paths we'll cross again, again These pants rubbed off against, against These paths we'll cross again, again These pants rubbed off against, against

Take your seat on the tip of the star that you see Take your piece, take a sip or you'll starve from that shit Take your piece of that star, take your piece of it kid Take your piece or you'll starve, take your piece, take it kid

These paths we'll cross again, again These pants come off against, against Take your seat on the tip of the star that you see Take your piece, take a sip or you'll starve from that shit Take your piece of that star, take your piece of it kid Take your piece or you'll starve, take your piece, take it kid

These paths we'll cross again, again These pants come off against, against Take your seat on that tip of the star that you see Take your piece, take a sip or you'll starve from that shit Take your piece of that star, take a piece of it kid Take your piece or you'll starve Take your piece, take it kid

Paths, paths, paths...
