

Under the Earth

Yeah Yeah Yeahs

Down, down under the earth goes another lover

Down, down under earth goes another lover

Down, down under earth goes another lover

Twelve tongues put a hex on you

Small mouths don't dare to shout out

No fun for a night out

No fun for a night out on the town

Twelve tongues put a hex on you

Small mouths don't dare to shout it out

No fun for a night out

No fun for a night out on the town

Runaway, runaway

Not a ghost or roach would stay

You're on your own, on your own, you're not safe

Runaway, runaway

Not a ghost or roach would stay

You're on your own, on your own, you're not safe

Down, down under earth goes another lover

Down, down under the earth goes another lover

Milk you for what you're worth and call it murder

Down, down under the earth goes another lover

Twelve tongues put a hex on you
